YOUR BOARD IN ACTION

2020 has been an interesting year for all of us. As a response to the COVID-19 Pandemic, our board made some changes this year to lessen the stress to our residents. We temporarily halted the routine code inspections performed by Kirkpatrick and paused/extended the time for owners to pay annual dues. We also moved our monthly meetings to Zoom.

Another change that occurred this year was that our long-time board member and 2020 HOA board President, Melissa Brown, moved to Oregon. The Board VP, Shannon Switzer, accepted the role as president on an interim basis. We have welcomed Anthony Pepple to the board as an “At Large” member focusing on communication.

Happy Halloween!

COVID-19 has cancelled a lot of things this year, but not Halloween! However, it is still important to continue to take precautions and practice good hygiene to prevent the spread of disease. Let the only bugs be the creepy crawlies of Halloween!

Carmel has suggested that trick-or-treating hours be between 5 and 8 pm Saturday October 31st. Trick-or-treaters and chaperons should wear face coverings when distancing cannot occur. Homeowners comfortable with handing out candy should turn their front porch light on and wear a face mask when answering the door.

Halloween safety Tips

- Adults should always accompany their children
- Take a flashlight
- Stay in neighborhoods you know
- Watch for traffic and drivers watch out for people crossing the street
- Avoid costumes that are long and could cause a trip hazard
- Always inspect candy prior to consuming and dispose of unwrapped candy

Get into the fall spirit!

Our annual fall decorating contest is starting NOW! Decorate your home in the spirit of fall or for Halloween. Our volunteer judges will tour the neighborhood on Oct. 30th and 31st to select the winners. Winning displays will be posted on our PCN HOA Facebook.

Get Involved

Interested in becoming involved in the neighborhood? If so, Email plumcreeknorthHOA@gmail.com or join us at the next HOA Board meeting. There are opportunities to participate in organizing neighborhood events and activities.
